Household Chemical Disposal Program

Offered by the Virginia Peninsula Public Service Authority (VPPSA), this program provides the opportunity for residents to safely dispose of a variety of household chemicals and paint products including household maintenance products, automotive products, lawn & garden products, household cleaning products. Items should be brought to the collection site located on County Drive (off Goodwin Neck Road).

2005 Household Chemical Schedule

Saturday, March 12

Saturday, May 14

Saturday, July 9

Saturday, September 10

Saturday, November 12

VPPSA Composting Facility

VPPSA's Regional Compost Facility, also located at 145 Goodwin Neck Road, is open to residents and businesses for delivery of grass, leaves, and other yard debris. VPPSA processes these yard wastes into quality compost and mulch products that are available for purchase year round.

Compost:	\$16.00/cy
Soil Blend:	\$17.00/cy
Mulch Fines:	\$10.00/cy
Reground Mulch:	\$9.00/cy

Residents of York County , Poquoson, and Hampton can bring up to 24” diameter and 10’ in length Yard Debris at no charge. All contractors will be charged \$38.00 per ton. If the material is coming from a contractor’s house in the county they are required to call one week in advance so material can be viewed while still on the grounds of the property. This is to ensure the materials are indeed coming from the residence.

New Contract Changes

- Regular service now includes 2 containers
- Low generator includes 1 container
- No additional trash outside of issued containers
- No personal containers
- New Container Design
 - Latching lids; wider wheel base
 - Moving towards fully automated system
- Unlimited construction debris disposal for residents on program (self-work only; no contractors included)
- Separation of citizen/commercial drop-off areas
- New entrance to Waste Management Facility planed for expansion
- Scales House relocation for larger queuing area
